

UCI ROAD TO REINVENTION:

a one-day conference for Executives on Leadership in the Digital Age

R²R
2020

Chet Kapoor
Vice President and former CEO of Apigee
Google

As a leader and innovator in the high-tech industry, Chet has spent 20 years in leadership positions in innovative software and hardware companies including VP of Content Management and Search Products at IBM and VP/GM for the Integration Group of BEA Systems. In addition, he was CEO of Gluecode, an open source application server company that IBM acquired. Chet also served as a Vice President at webMethods and held various positions at NeXT.
