

# UCI ROAD TO REINVENTION:

*a one-day conference for Executives on Leadership in the Digital Age*

**Cody Sanford**  
**EVP and CIO**  
**T-Mobile**

Cody Sanford is T-Mobile's Executive Vice President and Chief Information Officer, leading the company's digital transformation strategy fueling the Un-carrier revolution. He is responsible for spearheading the development of a product-centric technology organization that leverages the power of people, process and technology to bring to life T-Mobile's innovative experiences for customers and frontline employees. Under Cody's leadership, the Product & Technology organization is driving T-Mobile's digital transformation, with an industry-leading software dev shop, expansion into adjacent products and services categories, and a leadership role in delivering open source innovations that solve large customer pain points.
