Advisory Board

Shankar Rao

Principal

Shadowbrook Systems

Shankar Rao has provided technology oversight at leading healthcare companies for over 30 years. His experience in healthcare technology has been diverse from providers to payors to product companies and from start-up to Fortune 100 companies in a variety of roles.

Most recently, he was the CIO for Akeso Occupational Health. Prior to that, Shankar completed 13 years at UnitedHealth Group/Optum in a variety of technology leadership positions, including divisional Chief Information Officer, Health Information Exchange business unit General Manager and Vice President, SaaS product development and delivery.

Shankar received a Bachelor of Technology from the University of Madras, India and an MBA from Peter F. Drucker School of Management, Claremont, California.
