Advisory Board

Geraldine Ramezani
SVP, Chief Information Officer
First American Financial Corporation

Geraldine Ramezani is the SVP/Chief Information Officer at First American Title responsible for enterprise architecture, applications development, project management office, technology infrastructure and data warehouse capabilities. She has over 30+ years' experience in global sourcing multi-shore models, strategy and planning, transformational program management and technology operations. Prior to First American, Geraldine held senior leadership roles at Toyota Financial Services, Auto Club of Southern California, ACS/Xerox and Ingram Micro.

Geraldine serves on the AWT (Advancing Women in Technology) and SCSIM (Southern California Society Information Management) non-profit boards. She also is a mentor for Toyota's Diverse Business Mentorship program, STEM Advantage and WITI organizations.

Ms. Ramezani earned her Bachelor's degree in Psychology and subsequent Master's degree in Counseling at California State University, Fullerton. Geraldine also attended the University of Southern California Business School and received certification in the Executive Management program.
